

Disaster Management Plan of District Forest Department North 24 Parganas

The road network throughout the district is divided into a number of stretches.

The name & style of Saw Mills , their address and contact no. of the owner are specified.

The contact number of Forest Range Officer falling within the specified stretches are intimated so that they may be contacted.

Disposal of uprooted trees or broken branches shall be disposed off in presence of authorized representatives of owner / agency / department.

A meeting has been held with North 24 Parganas wood based industries association and North and south 24 Parganas Timber Merchant association on 16/05/2012 to find the modalities of operation.

Both the associations have committed fullest cooperation from their ends in case of any exigency for quick disposal of uprooted trees and branches.

The designated saw mill owners shall provide labourer, cross cut saw, Horizontal saw etc. for disposal.

The expenses to be incurred for this purpose for labour, wages, transportation etc. may be borne by respective blocks from their contingency/Disaster Management Fund.
