

## Success Story 2

**Shibashish Saha**, a resident of Village Fingapara Banshbagan, Block - Chinsurah, District - Hoogly, joined **Utkarshabangla** training programme at Brainware Skills for **Field Technician Computing and Peripherals** course.

He is presently working at Tata Communications as Azure AD Engineer. Now he is earning Rs. 38,500 permonth.

### **Shibashish & her Family:**

Shibashish's family consists of five members including his father, mother, elder brother, sister-in-law and himself.

He completed his graduation earlier and now after getting engaged with his job he has completed his Azure Data Based Engineer Associate course in online mode from **B-Soft** at Bangalore to upgrade himself.

His Father and Elder brother are Ex-Army man and his mother and sister-in-law is housewife.

One day he got the information about **Utkarsha Bangla** programme through his friend and visited the Brainware, Barasat campus and consulted with his family and decided to enroll himself in a non-residential **Field Technician Computing and Peripherals** course at Brainware Barasat Campus of **Utkarsha Bangla** programme. It was quite difficult to travel from Fingapara Bashbagan which is in Hoogly district to Brainware Barasat Campus which is located in North 24 Parganas on a daily basis. He used to attend the class regularly and completed his Field Technician Computing and Peripherals course in a time span of 6 months.

### **Success in Work Places:**

After completing his course he **got placed at Reliable First Pvt. Ltd. In the month of May 2019** and continued for five months. **His first posting was in Bangalore.** He used to get around **Rs. 11276/- per month** at Reliable First.

Then he joined **Sysnet Global Services Pvt Ltd, Bangalore as Customer Support Engineer** in the month of **October 2019** with a salary of **Rs 14000** and continued there for 1 year 8 months.

**Recently he joined at Tata Communications in the month of July 2021** with a salary of **Rs 38500** at **Pune location** though he has to work from home due to pandemic situation.
