For and on behalf of the Executive Officer, North 24 Parganas Zilla Parishad, the Addl. Executive Officer, North 24 Parganas Zilla Parishad, invites Item Rate tender for the following work mentioned as above, from resourceful contractors either enlisted of this Zilla Parishad or bonafied outsiders, Govt. contractors registered with P.W.D./ Irrigation and Water Ways Department / Housing Deptt./ C.P.W.D. & enlisted contractors of other Engineering Deptt. of the Govt. having experience in same type of works.

**Basic Qualification Criteria :**

(A) Credential : The applicant, in the same name and style, as prime contractor should have successfully completed at least one contract of same type of work at least one-third value of the proposed contract within the last 3(three) years. Bidder should have the experience of completion of similar works. Only one credential certificate need to be uploaded which satisfies the work criteria. In case of multiple credentials only the 1st credential uploaded will be considered for evaluation.

**Turnover :** The bidder should have achieved in any one year during last five years in the same name and style (excluding current financial year) a minimum turnover as certified by chartered accountant and at least 50% of which is from electrical works) equivalent to amount given below. Payment Certificate must be uploaded to corroborate the figure of Audit Report. In case the payment certificate uploaded is found to be less than value mentioned in Audit Report, the less value will be considered as turnover for Bid Capacity calculation after indexing @ 8%. In that case turnover will be taken as double the indexed value based on uploaded payment certificates.

i) 100% of amount put to bid in case of the amount put to bid is up to Rs. 25 lakh

ii) 75% of Amount put to bid in case of the amount put to bid above Rs. 25 laks for which bid has been invited. The turnover will be indexed at the rate of 8% for a year for each previous year other than the last year.
Documents & Certificates: IT, P.T.C.C, GST Registration Certificate Attested copy and documents must be produced by all bidders and for registered Engineers Co-Operative Society & Registered labour Co-Operative Society including submission of Bye-Laws, valid audit report for the last three (3) years, valid ARCS certificates and other papers & submit the same with full address of their and authorized person to sign on tender documents along with Technical Bid papers.

Additional Qualification Criteria: Bidders who meet the minimum qualification criteria will be qualified only if their available bid capacity for the same work is equal to or more than the total bid value. The available bid capacity will be calculated as under:

Assessed Available Bid capacity = (A*N*M - B) Where
A = Maximum value of civil engineering works executed in any one year during the last five years (updated to the price level to the last year at the rate of 8 percent a year) taking into account the completed as well as works in progress, N = Number of year prescribed for completion of the work for which bids are invited (period up to 6 months to be taken as ½ and more than 6 months as 1 in a year, M = 3, B = Value, at the current indexed @ 8% per Annual price level, of existing commitments and on-going works to be completed during the period of completion of the works for which bids are invited.

N.B. The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be countersigned by the Engineer in charge, not below the rank of an Executive Engineer or equivalent. Otherwise those Certificates will not be considered in the Evaluation process.

Disqualification Criteria: 12. b) Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:
(i) Made misleading or false representations in the forms, statements, affidavits and attachments submitted in proof of the qualification requirements; and / or record of submission of any false / fake document(s).
(ii) Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.
(iii) Participated in the previous bidding for the same work and had quoted unreasonably high or low bid prices and could not furnish rational justification for it to the Employer.
(iv) All the supporting documents i.e. list of completed works etc. should preferably be typed not hand written to avoid disqualification due to illegibility.

Bids from joint ventures - Not allowed
Sub-contract for works not allowed.

Rejection Criteria: During scrutiny of Technical Bid / Tender documents, or any time prior to opening of financial bid, if it is found that any information in any supportive document is false or incorrect/misleading to that extent, that it frustrates the very basis of submission of that document, then the tender of the concerned bidder will be rejected, without assigning any reason whatsoever. If it is found that there is continuous poor performance and inordinate delay in execution of the works already awarded to them. The Executive Officer / Addl. Executive Officer, North 24 Parganas Zilla Parishad will have sole discretion to decide the eligibility of the Contractors on the basis of his submitted documents and evaluation thereof and reserve the right to refuse any explanation to Contractor or to refuse issuance of tender to any applicant without assigning any reason thereof and the decision of the Zilla Parishad in this respect will be final.

Special Terms & Condition:
1) In case of running works, only those Tenderers who will submit the certificate of satisfactory running work from the concerned Executive Engineer, or equivalent competent authority will be eligible for the tender. In the required certificate it should be clearly stated that the work is in progress satisfactorily and also that no penal action has been initiated against the executed agency, i.e., the tenderer.
2) Payment certificate will not be treated as credential.
3) Credential certificate issued by the Executive Engineer or equivalent or competent authority of a State/Central Government, State/ Central Government undertaking, Statutory / Autonomous bodied constituted under the Central / State statute on the executed value of completed /running work will be taken as credential. Clarification: Certificate of Work completion within India only will be considered as credential.

4) Valid Trade Licence , Tax Challan, Pan Card,GST Registration Certificate No., Income Tax Acknowledgement Receipt for AY 2014-15/2015-16 to be accompanied with the Technical Bid Documents to be submitted. [Non statutory Documents].

5) Where there is a discrepancy between the unit rate & the line item total resulting from multiplying the unit rate by the quantity, the unit rate quoted shall govern .

6) No mobilization /secured advance will be allowed.

7) Bids shall remain valid for a period not less than 180 days (One Hundred Eighty) from the last date of submission of Financial Bid / Sealed Bid. If the bidder withdraws the bid during the period of bid validity the earnest money as deposited will be forfeited forthwith without assigning any reason thereof.

8) Agencies shall have to arrange for storage of materials, labour shed etc. at their own cost and responsibility.

9) Constructional Labour Welfare Cess @ 1(one) % of cost of construction will be deducted from every Bill of the selected agency.

10) Documents Related to Appointment to a one Diploma holder in Civil Engineering.

Note: -Failure of submission of any of the above mentioned documents (as stated in A1 & A2) if applicable to a bidder, will render the tender liable to summarily rejected for both statutory & non statutory cover. B. Financial proposal i) The financial proposal should contain the following documents in one cover(folder) i.e., Bill of quantities (BOQ) the contractor is to quote the rate (percentage above/ below/at par) online through computer in the space marked for quoting rate in the BOQ. ii) Only downloaded copies of the above documents are to be uploaded virus scanned & Digitally Signed by the contractor.

11) Penalty for suppression / distortion of facts Submission of false document by tenderer is strictly prohibited & if found action may be referred to the appropriate authority for prosecution as per relevant IT Act with forfeiture of earnest money forthwith.

12) REJECTION OF BID The tender accepting authority reserves the right to reject any or all the tenders without assigning any reason and will not be bound to accept either the lowest tender or any of the tenders as per the general guidelines and directions for guidance of contractors laid down in 2911.

13) AWARD OF CONTRACT After issuing provisional work order to the successful bidder, the bidder have to purchase 2911(ii) & schedule from the respective Division office and submit the same after filling up properly within stipulated period mentioned in Provisional Order for agreement with The Government. Award of Contract will be issued accordingly.

14) The intending bidder must have to produce an authentication documents of manufacturers for all items of each group i.e. P.V.C Pipe, P.V.C Strainer, Column Pipe with any accessories duly ISI marked, Complete Solar PV Pump motor system conforming to the MNRE’s guidelines. B.I.S approved pump motor manufacturers must produce Test Certificate of the same from MNRE approved Test Centre at the time of supply & installation of the scheme.

Unbalanced Bid: The bid in which the offered rate is 10% below SOR extra 5% security deposit above normal 10% Security Deposit will be deducted from bill of contractor i.e. to say that 15% Security Deposit will be retained in case of unbalanced bid (Ref: As per decision of Artha Sthayee Samity on 19/02/15), proper financial Analysis of Rate must be justified by the bidder in case of Unbalanced bid.

Forfeiture of Earnest Money: Apart from Disqualification and Rejection of tender the Earnest Money deposited by the bidder will be forfeited if they submit false/fake/forged documents in respect of Credential and Turnover.

Bid Submission Process
Prospective bidders have to submit their bid on-line through https://wbtenders.gov.in Earnest Money will be deposited through online payment as in the e-tender portal . Without requisite Earnest Money Technical Bid will be rejected.
Intending bidders may download tender documents from e-procurement portal https://wbtenders.gov.in. In case of change of date, due intimation will be given in News dailies and website. List of the important dates related to bid are given in the Annexure - I.

The Addl. Executive Officer / Executive Engineer, North 24 Parganas Zilla Parishad reserves the right to reject or cancel any or all pre-qualification documents and bid document or the entire tender process without assigning any reason whatsoever.

Tools for Handling and Erection
All tools and tackles required for handling of equipments and materials at site of work as well as for their assembly and erection and also necessary test instruments shall be the responsibility of the contractor.

Co-ordination with other Agencies
The contractor shall co-ordination with all other agencies involved in the building works so that the other works are not hampered due to delay in his work. Recessed conduit and other works, which directly affect the progress of building works, should be given priority.

Case of Buildings
Case shall be taken by the contractor to avoid damage to the building during execution of his part of the work. He / She shall be responsible for repairing all damages and restoring the same to their original finish at his / her cost. He / She shall also remove at her cost all unwanted and waste materials arising out of his / her work from the site.

Addition to an Installation
Any addition temporary or permanent to the existing electrical installation shall not be made without a properly worked out scheme/design by a qualified Electrical Engineer to ensure that such addition does not lead to over loading, safety violation of the existing system.

Work in Occupied Building
(i) When work will be executed in occupied buildings, there would be minimum of inconvenience to the occupants. The work shall be programmed in consultation with the Engineer-in-Charge and the occupying department. If so required, the work may have to be done even before and after office hours.

(ii) The contractor shall be responsible to abide by the regulations set in regard to entry into, and movement within the premises.

(iii) The contractor shall not tamper with any of the existing installations including their switching operations or connections there to without specific approval from the engineer-in-Charge.

Serviceability
In the interest of effective servicing, all equipment will be installed such that access will not hampered. To further aid the serviceability of the equipment racks, service loops are to be provided on all equipment allowing easy removal from the front and also, quick rectification of faults.

System Schematics
On completion of the installation, the trade contractor will attach to each rack a laminated copy of the system “as-built” schematics.

Liquidated Damages
Should the work be not completed to the satisfaction of the Employer/Consultant within the stipulated period, the contractor shall be bound to pay to the Employer a sum calculated @1.00% of the accepted contract sum per week of delay subject to a maximum of @10 % of the accepted contract value by way of liquidated damages and not as penalty during which the work remains un-commenced or unfinished after the expiry of the completion date.
The following documents are to be uploaded at the time of submission of tenders through e-tendering Process.

1. Valid West Bengal GST Registration No. ..........................................................
2. Completion certificate along with certificate of payment received for works of similar type and of values as mentioned above individually for the above tenders from an officer not below the rank of Executive Engineer/DDO of the concerned Department.
