Sir,

With a view to engage the ASHA facilitator, the North 24 Parganas District administration invited application from the intended persons mentioning the last date for receiving the application on 28th July, 2015. But till date only 20(twenty) applications have been received.

In this context, I have been informed to take up the matter with MIC, Food & Supplies Department for necessary permission for extending the last date of receiving the application by another 10 or 14 days.

The matter has been put up before MIC, Food & Supplies Department, Government of West and Hon'ble MIC has agreed to extend the date of receiving the application.

Necessary action may please be taken at the earliest.

Yours faithfully,
